Note.—If any of questions 11 to 14 be answered "Yes," the alien should be detained for special inquiry unless he establishes to the satisfaction of the Secretary of Labor that he does not belong to any of the classes excluded by such answer. If any of questions 15 to 21 be answered "Yes," the alien should be detained for special inquiry unless he establishes to the satisfaction of the Secretary of Labor that he does not belong to any of the classes excluded by such answer. If any of questions 22 to 30 be answered "Yes," the alien should be detained for special inquiry unless he establishes to the satisfaction of the Secretary of Labor that he does not belong to any of the classes excluded by such answer. Whether a person shall be admitted or excluded from the United States shall be determined by the Secretary of Labor, under such conditions, rules, or regulations as he may prescribe, but no person shall be admitted or excluded without a hearing before a board of special inquiry, except as otherwise provided by law. The decision of such board, if favorable to the admission of any alien, shall be subject to challenge by any immigrant inspector, and shall be final unless reversed on appeal to the Secretary of Labor. The Secretary of Labor shall establish such boards of special inquiry and shall appoint the members thereof. Such boards shall have authority to determine whether an alien may be admitted to the United States or shall be deported (or excluded from admission), and such other powers and duties as the Secretary of Labor may prescribe. Appeals may be taken from the decisions of such boards to the Secretary of Labor and shall be under such regulations as he may prescribe. The Secretary of Labor may, in his discretion, order the temporary admission to the United States of any alien under bond, in such sum and with such conditions and sureties as he may prescribe, or under such other restrictive conditions as he may deem necessary, upon the recommendation of the board of special inquiry or other officer before whom the case may be pending, or upon appeal, for a period not exceeding one year, when in his judgment the best interests of the United States or the alien will be subserved thereby. The Secretary of Labor may at any time cancel the bond or modify the conditions of the admission of any alien temporarily admitted as above provided, and require any such alien to depart from the United States and may arrest and deport him to any country specified by him which will receive him, at any time within one year after his entry, if in the opinion of the Secretary of Labor the welfare of the United States so requires. Any alien who shall remain in the United States in violation of any such order shall be deported as provided in the case of other aliens unlawfully in the United States. Nothing in this act shall be construed to apply to accredited officials of foreign governments coming to the United States solely to perform services in behalf of their governments and recognized by the United States Government as entitled to such exemption, their families, suites, or servants, or to alien officers or members of the crews of vessels or other instruments of travel coming to the United States solely in connection with the operation thereof, or to aliens in immediate transit through the United States, or to persons who have been lawfully admitted to the United States and who Note.—Instead of posting a proper bond, which is usually required by law, the master of a vessel may deposit with the Secretary of the Treasury the sum of $300 for each alien passenger brought by his vessel to the United States, and may give a bond in a penal sum equal to the amount deposited, conditioned to indemnify the United States against any tax which may be imposed upon such alien passenger. Deposits of money are made with the Treasurer of the United States, or with any assistant treasurer or designated depositary, and receipts therefor are issued in duplicate, one of which is delivered to the master of the vessel. Deposits are covered into the Treasury, and refunds are made by warrants drawn by the Secretary of the Treasury upon certificates of the Commissioner of Immigration, under regulations prescribed by the Secretary of the Treasury. Refunds are made only upon the production of the receipt issued at the time of the deposit, and upon the presentation of satisfactory proof that the alien has departed from the United States within the time prescribed by law, or has died or become insane before the expiration of such time, or has been prevented from departing from the United States by reason of other unavoidable cause beyond the control of the alien or master.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 3. *Age.*—The age given in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade or profession of each alien, whether he is a laborer, tailor, seamstress, clerk, servant, farmer, shoemaker, painter, engineer, gentleman, lady, physician, author, musician, merchant, editor, baker, barber, weaver, miner, etc., and not simply "laborer," "servant," "tailor," "seamstress," "none," or "housework."

A distinction should invariably be drawn between laborers and farm laborers, even those of the unskilled class always specifying.

A person who has no occupation, including children and infants, should be returned as "none."

Several nationalities should be returned in the distinction between race and the country of which a person is a citizen or subject. The surname should be entered first, then the Christian name or names, and then the middle initial, if any. Titles of honor or rank, such as Mr., Mrs., Miss, Dr., Rev., Hon., Count, Baron, etc., should be omitted.

Column 3. *Age.* The age should be given in all cases. In the case of infants under 1 year old the age should be expressed in months, thus: "6 months," "11 months," etc. In all other cases the age should be expressed in years, thus: "1 year," "2 years," etc. The age of persons who have passed their birthday, but by less than six months, should be given in years only, thus: A person who is 2 years and 6 months old should be entered as "2 years," but a person who is 2 years and 7 months old should be entered as "3 years."

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., departments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and those descended from persons born in those provinces. All persons born in these departments, including those who have emigrated to other countries, should be classed as "Italian, north." Most of these people speak a French dialect or the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., departments of Tuscany, Umbria, the Marches, Latium, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those descended from persons born in those provinces. All persons born in these departments, including those who have emigrated to other countries, should be classed as "Italian, south." Most of these people speak a dialect of the Italian language.

Column 14. *Whether in possession of $50 and if not, how much less.* The purpose of this column is to show whether each person has in his possession the amount of money required by law. Persons brought for the head tax alone should not be questioned regarding this matter.

Column 15. *Whether ever before in the United States, and if so, when and where.* The answer should show whether the person has ever been in the United States before, and if so, the year or period of years and place or places of last previous visit.

Column 16. *Whether going to join a relative or friend, and if so, what relative or friend.* The answer should show whether the person has a relative or friend, and if so what relative or friend, with name and complete address.

However, no answer to question 20, if answered, shall be sufficient to permit the landing of any person who, in the opinion of the Secretary of Labor, has affirmative duty to reject, for admission, unless further inquiry or examination should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head Tax Status.*—Steerage passengers should be entered in this column. The symbols for admissible classes are:

Exempted [illegible]

Admitted in transit to [illegible]

Column 6. *Intended Stay in U. S.*—The answer should be "Permanently," "Temporarily," or "Indefinitely."

Column 7. *Ever in U. S.?*—The answer should be "Yes" or "No."

Column 8. *Last Permanent Residence.*—The answer should be the name of the country in which the alien has had a home for a year or more, or "None" if he has had no such home. Transients should be entered as "None."

A separate sheet should be used for each class of passengers specified in the above columns.

A continuous sheet number should be given to all sheets used for the manifest of passengers on each vessel.

All manifests must be signed [illegible]

Separate manifests must be prepared for cabin passengers and for steerage passengers.

Passengers must be entered in the manifest in the order in which their names appear on the list of passengers furnished to the master of the vessel by the steamship company.

Each sheet must be footed, and the totals carried forward to the top of the next sheet, so that the last sheet will show the total number of passengers carried.

The name of the port at which the vessel has cleared last previous to sailing for the United States must be entered at the top of each sheet.

CUBA.

The term "Cuban" refers to the Island and not to the City of Havana.

WEST INDIES.

West Indies means the possessions in the Caribbean Sea belonging to European Nations, namely:

CENTRAL AMERICA.

Spanish Americans should be the natives of Central and South America of Spanish descent.

AFRICA, ASIA.

Natives of Africa, Asia, or other countries not specifically provided for should be described by the name of the country to which they belong. As, for example, the native of Africa born of the African race should be entered as a native of Africa.

ITALIAN RACES.

The words "Italian Race" are to be used in describing the Italian people in accordance with the following classification: Northern Italian, Southern Italian, Tuscan, Roman, Neapolitan, Sicilian, Calabrian, Abruzzese, Sardinian. Those who cannot be classified as belonging to any of these races should be entered as "Italian Origin."

HEBREWS, Language.

The question as to the race or people to which an alien belongs is to be answered by stating whether he is a Hebrew, Negro, Polish, German, Bohemian, Armenian, Arabian, Spanish, Portuguese, Italian, Russian, Scandinavian, English, Scotch, Irish, French, Dutch, Flemish, Magyar, Finnish, Slavonian, Turkish, Greek, Syrian, Japanese, Chinese, Indian, Mexican, or other race or people to which he belongs. Persons of mixed blood should be described according to the race or people predominating in them. Thus a person of mixed Negro and white blood should be described as a Negro, and a person of mixed Indian and white blood should be described as an Indian, unless the white blood predominates, in which case he should be described as belonging to the race or people of the white blood predominating. Mere local designations, such as "Canadian," "Acadian," "Creole," "Mexican," "Cuban," "Porto Rican," "West Indian," "Brazilian," "Central American," "South American," "Colombian," "Peruvian," "Chilian," "Argentinian," "Patagonian," "Australian," "Maori," or "Berber," are not sufficient designations of race or people. Persons of these descriptions should be further described as belonging to the race or people to which they belong.

LAST CITY.

The name of the last city, town, or village should be given from which the alien came to the port of embarkation, whether it be in Europe, Asia, Africa, America, Australia, or elsewhere. Where the alien has been in transit through several countries, the last place of permanent residence should be given. Where the alien has been in transit through several countries, the last place of permanent residence should be given. Where the alien has been in transit through several countries, the last place of permanent residence should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years if months the latter should be given, to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe more accurately than the average ticket agent the occupation of each alien, actual and not nominal. Do not enter "laborer," "servant," "farmer," "clerk," "manufacturer," "gentleman," "lady," or "none," unless absolutely correct. Such entries as "engineer," "carpenter," "bookkeeper," "tailor," "seamstress," "physician," "author," "actress," "editor," "preacher," "missionary," "musician," "professor," "miner," "baker," "painter," "shoemaker," "blacksmith," "lawyer," "cook," "servant," "boatman," "sailor," "soldier," "weaver," "merchant," "policeman," "fireman," "conductor," "driver," "porter," "barber," "mason," "clerk," "salesman," "dressmaker," "milliner," "stenographer," "typewriter," "clergyman," "nurse," "student," "agent," "broker," "contractor," "dealer," "trader," "banker," "butcher," "miller," "engraver," "decorator," "upholsterer," "jeweler," "watchmaker," "optician," "photographer," "chemist," "druggist," "electrician," "surveyor," "architect," "designer," "draftsman," "inventor," "aviator," "showman," "circus performer," "acrobat," "librarian," "missionary," "journalist," "reporter," "editor," "publisher," "interpreter," "translator," "secretary," "collector," "messenger," "porter," "watchman," "guard," "steward," "hostler," "bridge tender," "fireman," "engineer," "conductor," "brakeman," "motorman," "switchman," "foreman," "inspector," "operator," "agent," "clerk," "laborer," "helper," "apprentice," "machinist," "mechanic," "artisan," "factory operative," "stevedore," "longshoreman," "teamster," "cartman," "driver," "chauffeur," "hostler," "painter," "glazier," "roofer," "plumber," "gasfitter," "steamfitter," "paperhanger," "tinsmith," "locksmith," "metalworker," "moulder," "founder," "roller," "heater," "puddler," "driller," "borer," "planer," "shaper," "filer," "grinder," "polisher," "finisher," "packer," "shipper," "wrapper," "sorter," "weigher," "inspector," "piler," "painter," "varnisher," "dyer," "presser," "finisher," "cutter," "weaver," "spinner," "loomfixer," "carder," "comber," "twister," "reeler," "knitter," "sewer," "tailor," "tailoress," "upholsterer," "furrier," "hatter," "shoemaker," "cobbler," "harnessmaker," "saddler," "leatherworker," "glover," "miner," "driller," "driver," "operator," "pumper," "blacksmith," "engineer," "fireman," "laborer," "lumberman," "sawyer," "woodworker," "carpenter," "joiner," "cabinetmaker," "turner," "shingler," "cooper," "wheelwright," "boilermaker," "shipfitter," "rigger," "blockmaker," "sailmaker," "ropemaker," "caulker," "painter," "boatbuilder," "fisherman," "oysterman," "seaman," "deckhand," "waiter," "bartender," "cook," "steward," "stewardess," "housekeeper," "maid," "janitor," "janitress," "valet," "nurse," "governess," "housework," "child's nurse," "launderer," "laundress," "presser," "dyer," "cleaner," "barber," "hairdresser," "manicurist," "chambermaid," "porter," "bellboy," "elevator operator," "watchman," "guard," "soldier," "sailor," "marine," "policeman," "detective," "fireman," "janitor," "janitress," "sexton," "launderer," "laundress," and "none" are illegible, indefinite, and insufficient, and should be corrected as "laborer," etc. Many of these terms cover a multitude of the most undesirable classes.

A certain discretion should be made between laborer and farm laborer, regardless of the amount of money he has, as follows:

A farmer is one who operates a farm, either for himself or a landlord.

A farm laborer is one who works on a farm for wages or other compensation.

Steamship companies should report as laborers only persons who have been regularly employed as such, and not persons who have been engaged in other occupations and who are going to the United States to seek employment at the first opportunity. Persons who have been engaged in other occupations, and who are going to the United States to seek employment at the first opportunity, should be reported as "laborer," etc. Many of these persons make false declarations at the Immigration stations.

Column 8 (*Nationality*).—The answer should be the name of the country to which the alien owes allegiance, as "England," "Germany," "France," "Italy," "Russia," "Sweden," "Norway," "Austria-Hungary," "Spain," "Portugal," "Greece," "Turkey," "Roumania," "Bulgaria," "Servia," "Montenegro," "Switzerland," "Belgium," "Holland," "Denmark," "China," "Japan," "India," "Mexico," "Cuba," "Haiti," "Santo Domingo," "Central American States," "South American States," "Australia," "New Zealand," "Africa," "Arabia," "Asiatic Turkey," "Syria," "Persia," "Egypt," "Palestine," "Liberia," "Portuguese East Africa," "Portuguese West Africa," "Canada," "Newfoundland," "Scotland," "Ireland," "Wales," "Iceland," "Finland," "Hungary," "Bohemia," "Moravia," "Slovakia," "Dalmatia," "Croatia," "Slavonia," "Herzegovina," "Bosnia," "Galicia," "Lodomeria," "Transylvania," "Poland," "Lithuania," "Courland," "Livonia," "Esthonia," "Alsace-Lorraine," "Luxemburg," "Tyrol," "Algeria," "Tunis," "Tripoli," "Barbary States," "Morocco," "Canary Islands," "Madeira Islands," "Azores," "Cape Verde Islands," "Philippine Islands," "Hawaiian Islands," "Samoan Islands," "Guam," "Tutuila," "Africa," "Asia," "Europe," "Islands of the Pacific," "Islands of the Atlantic," "Islands of the Mediterranean," "Islands of the Indian Ocean," "Islands of the Caribbean Sea," "Central America," "South America," "North America," "West Indies," "Australasia," "Polynesia," "Micronesia," "Melanesia," "Malay States," "Straits Settlements," "Borneo," "Sumatra," "Java," "Celebes," "New Guinea," "Siberia," "Manchuria," "Mongolia," "Thibet," "Bokhara," "Afghanistan," "Beluchistan," "Kurdistan," "Arabia," "Korea," "Siam," "Anam," "Cochin China," "Burma," "Cambodia," "Malay Peninsula," "Ceylon," "Borneo," "Sumatra," "Java," "Celebes," "New Guinea

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, _____, of the _____, from _____, do solemnly, sincerely, and truly _____ that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, _____ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, "civil engineer, stationary engineer, mining engineer, brass polisher, steel worker, lish monger, wood turner, etc., and not simply as "engineer, "polisher, "worker, "turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stamped appropriately in red ink there have been printed in the space provided for the purpose the words "Read and corrected," which direct the attention of the inspection officers to the necessity of examining carefully the entries in this column.

Column 8 (*Able to read and write*).—Every alien 14 years old and over should be asked the question "Can you read and write?" If the answer is in the affirmative, the question "Read what language?" should be asked, and the answer recorded. If the alien is unable to read and write, the fact should be recorded accordingly.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race of the alien as indicated.

Some confusion should be noted in the distinction between race and the country of which a citizen or subject. Country of last permanent residence and country of birth, also, should be carefully noted. See instructions pertaining thereto in this regard. For instance, Italian appears under the heading of race, while French, German, Irish, Scotch, Russian, Polish, Spanish, Mexican, Cuban, West Indian, Scandinavian, Finnish, Dutch, Flemish, Belgian, Swiss, Austrian, Hungarian, Bohemian, Moravian, Slovak, Ruthenian, Croatian, Slovenian, Dalmatian, Servian, Bulgarian, Roumanian, Greek, Portuguese, Japanese, Chinese, Hebrew, Syrian, Turkish, Armenian, Arabian, Indian (native to India), Negro, and other races or peoples should be properly written in the space under the heading of "race," and not the country of birth, or any other country. In this connection the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or the islands of the West Indies, South or South American countries, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venezia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual residence for one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be entered as last permanent residence regardless of length of stay, previous thereto. The return of citizens of the United States, and their families, to the country of last permanent residence, independent of country of temporary residence, entitled both instances to "U. S."

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to a foreign country should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative, so state, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. As intended to remain one year shall constitute permanent residence. The entry should show definitely the place, state, or province of intended future permanent residence, if within the United States (never "U. S."), outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as "himself," "father," "father or other relative, United States," "steamship company," etc.

Column 16 (*Whether in possession of $50 and, if less, how much*).—The answer should give in each case the exact amount of money in the possession of the alien. Money brought by the head of a family should not be recorded as that in the possession of the family.

Column 17 (*Whether ever before in United States and if so, when and where*).—The entries should show whether alien has been in the United States before, and if so, the year or period of years and place, as "1903, New York."

Column 18 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 29.—These questions are self-explanatory and the answers, like all others on the sheet, are required to be made in the affirmative or negative. However, in answering question 26, if alien has been deported within one year and Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, _____, surgeon of the _____ sailing from _____ solemnly, sincerely, and truly declare that I have had _____ years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of _____, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, _____ in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at the final port of departure, and shall state any changes that may have occurred en route in the condition of any of the aliens named herein and the cause thereof, if known and ascertained.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before a medical officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, _____, of the _____, from _____, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, _____ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Coal conveyer, stationary engineer, Locomotive engineer, nursing engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer means one who works on a farm for the year who [illegible] it.

Steamship companies should make careful investigation on the matters and corrections should be made, if necessary, by inspectors and receivers, recounting the personal examination of each alien.

Column 8 (*Able to read and write*).—Each one should be provided and contains the following question: "Read what language (or, if exemption is claimed, mean what group)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race and the country of which a citizen or subject; country of last permanent residence; and country of birth and nationality should be carefully passed by inspectors and receiving clerks in this regard. For instance, a Chinese appearing under the head of country does not mean "French" by race or people, and similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien, born in Ireland, must be properly classified under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Arrival or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be stated. Locality regarded as residence in actual residence therein. Persons must come, it should draw the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies separately show countries of last permanent residence independently of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to a foreign country should be stated "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should show name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to the question should show the intended future permanent residence. Arrival or an intended residence of one year shall constitute permanent residence. The entry should show definitely the name and city or town of intended future permanent residence, if within the United States, country if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*If not, by whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and if not, how much*).—The answer in each case must be yes or no. The law requires that all aliens must have in their possession at the time of landing at least $50. Money brought by the head of a family should be counted as the property of the family.

Column 17 (*Whether ever before in United States and if so, when and where*).—The entries should show whether alien has been in the United States before, and if so, the year or period of years and place, as, for example, 1903, Chicago.

Column 18 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show whether alien is going to join either a relative or friend and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to rejection by inspectors, subject to the examination of aliens. However, in answering question 31, if alien has been excluded within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, _____, Surgeon of the _____, do solemnly, sincerely, and truly _____ that I have had _____ years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of _____, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, _____ in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Signature and title of immigration or other officer authorized to administer oaths

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before immigration officer at port of arrival, and all changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest immediately before the surgeon's signature.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before a medical officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens spring and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Cabinetmaker, stationary engineer, civil engineer, mariner, engineer, brass polisher, stenographer, woodturner, etc., and not simply as clerk, laborer, worker, farmer, or other indefinite designations.

A distinction should be made between farmers and farm laborers regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stock raisers should be classified as farmers, and the distinction between farmers and farm laborers, by occupations and regardless of land ownership, should be carefully observed in making the enumerations.

Column 8 (*Ability to read*, etc.).—If the immigrant can read any language or dialect, the answer should be "Read what language or dialect, if can read, but not what language or dialect." In answering this question the knowledge of the alien seeking to read will be presumed. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which said alien belongs.

Special care should be taken to distinguish between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and questions should be asked by inspectors and recorded by boards of special inquiry in this regard. For instance, citizens applying under the head of country designated as "Turkey" may be Turks by race or nationality, Greeks, Armenians, or Syrians by race or people, and Hebrews by race or people, regardless of the heading of Russia, Germany, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or the islands of the West Indies, North or South America, Europe, or Africa. The alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Country in which last permanently resided (*Country of last permanent residence*).—Answer must be given in all cases. The last country in which alien resided with the intention of remaining one year or more should be given. Temporary residence, regardless of length of time, should not be considered permanent residence. It is the intent of the immigrant at the time of departure from last place of residence that governs. If the immigrant had no permanent residence anywhere, but was a traveler, the answer should be "None." It is the object of this question to show the country in which each alien has established a home, and the duration of such residence is immaterial. If the immigrant has resided in different countries, the last country in which he established a home should be given. If he has resided in several countries, but for short periods in each, the country in which he has resided longest should be given. If he has resided for equal periods in two countries, the country last visited should be given. Mere visits as a tourist or traveler should not be considered residence. Accurate information under this head is of the greatest importance, and especial care should be taken to see that it is correctly obtained. Immigrants frequently assert that they intend to become citizens of the United States, and in answering this question they will often state the United States. This answer is misleading, and should be corrected. The question refers entirely to the past, and the answer should show the country in which the immigrant has established a home, and should not be confused with country in which he intends to establish a home. The name of the country, and not of the city or town, should be given. Care should be taken to distinguish between countries and colonies, and the name of the country, and not of the colony, should be given. For example, natives of Canada, Jamaica, Barbados, Trinidad, Bermuda, Hongkong, Australia, India, Gibraltar, Malta, Cyprus, Ceylon, Straits Settlements, Hawaii, Philippine Islands, Porto Rico, Guam, Tutuila, Panama, Canal Zone, Honduras, Nicaragua, Costa Rica, Salvador, Guatemala, Mexico, Cuba, Haiti, Santo Domingo, Dutch West Indies, Newfoundland, Miquelon, Chile, Peru, Ecuador, Colombia, Venezuela, Brazil, Argentina, Uruguay, Paraguay, Bolivia, Belgium, Netherlands, Luxemburg, Switzerland, France, Spain, Portugal, Germany, Austria-Hungary, Italy, Greece, Russia, Sweden, Norway, Denmark, Iceland, Turkey, Arabia, China, Japan, Korea, Siam, Liberia, Africa, Europe, Asia, Australia, West Indies, Central America, South America, and all other countries should be clearly specified.

Country in which permanent residence of aliens who are not citizens or subjects of the United States and are returning to it is to be stated should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question should show the intended future permanent residence. An intended visit to a friend or relative, or to the possession of money, should not be shown as indicating the place of intended future permanent residence. The entry should show definitely the location, as far as possible, of intended future permanent residence, if within the United States, country if outside the United States.

Column 14. *If having a ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 15. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as "Self," "Father," "Mother," or other relative, friend, steamship company, etc.

Column 16. *Whether in possession of $50 and if not, by whom was it furnished.*—The entry should show whether the immigrant has in his possession at least $50 in money, and if not, by whom it was furnished. Money brought by the head of a family should be considered as belonging to the family.

Column 17. *Whether ever before in the United States, and if so, when and where.*—The answer should show whether the alien has ever been in the United States before, and if so, the year or period of years and place or places of last previous admission.

Column 18. *Whether going to join a relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 24.—These questions, as well as explanations and the answers like all others on the sheet, are subject to be answered by the alien himself, or by the examining officer, as the circumstances may require. However, in answering question 23, if alien is a contract laborer, as defined by the act, the Secretary of Labor has authorized him to reapply for admission, in the authority for such reapplication should be given.

I, _____, Surgeon of the _____, _____, do solemnly, sincerely, and truly swear that I have had _____ years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of _____, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, _____ in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival as, for example, civil engineer, stationary engineer, locomotive engineer, initiate engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should instruct their agents that the exact facts and correct terms should be made, if necessary, by inspectors and regularly employed clerks during the period examination is made.

Column 8 (*Able to read and write*).—This column needs no detailed explanation; section "Read what language (or, if exempt, if over or under age)." In answering this question "Read what language (or, if exempt as to reading, if over or under age)." In answering this question the word "language" is to be construed to mean the country of which the alien is a citizen or subject.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which a citizen or subject. Country of last permanent residence and country to which allegiance is owned should be carefully noted. The nationality of persons born in this country of foreign parents should be stated as the parents happen to be, as "American (Italian)," "American (Irish)," "American (German)," etc. In case of people from countries not specifically mentioned, such as Finland, Bohemia, Dalmatia, Croatia, Wallachia, Moldavia, Montenegro, Herzegovina, Bosnia, Transylvania, Carniola, Carinthia, Galicia, Lodomeria, Iceland, Turkestan, Siberia, Crimea, Ruthenia, Servia, Bulgaria, Roumania, Albania, Greece, Turkey in Europe, Turkey in Asia, Arabia, Persia, Afghanistan, Beluchistan, Palestine, Syria, Armenia, Asiatic Russia, Kurdistan, Egypt, Barbary States, Liberia, Africa, Portuguese East Africa, British South Africa, German East Africa, Arabia, New Guinea, Borneo, Philippine Islands, Australia, New Zealand, Hawaii, Cuba, Mexico, Central America, South America, West Indies, China, Japan, Korea, Siam, Burma, India, or any other country not specifically mentioned, the race or people must be properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Lucania, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apuglia, Basilicata, Calabria, Sicily and Sardinia and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual occupancy of a dwelling place for the year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be last permanent residence regardless of length of actual residence there. The question requires (1) should show the country and city or town of last permanent residence. It is important for statistical purposes (2) steamship companies accurately show current last permanent residence independent of [illegible] of temporary residence, country of birth, nationality, or race.

Column 12 (*Final permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad*).—Should be prepared "United States."

Column 13 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give the name and address of such relative. If no such relative living, give name and address of friend.

Column 14 (*Port of destination*).—The answer to this question shall show the intended future permanent residence. An intended residence for one year shall constitute permanent residence. The entry should show definitely and clearly the city or town of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*If having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, by parent, father, mother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if not, how much*).—The answer should give in each case individual dollars, the exact amount of money shown. Money brought by the head of a family should not be credited to the several members of the family.

Column 18 (*Whether ever in the United States, and if so, when and where*).—The entries should show whether or not alien was ever in the United States before, and if so, the year, or period of years, and place, as 1901, New York.

Column 19 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 24.—These questions are self explanatory and the answers, like all others in the sheet, are subject to revision by inspectors, always to the disadvantage of aliens. However, in answering question 20, if alien has been deported and seeks to enter the United States after the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, steam railway engineer, locomotive engineer, mining engineer, brass polisher, steel worker, iron worker, wood turner, etc., and not simply as engineer, polisher, worker, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm; i. e., he is employed.

Stewards' passengers should make their entries, as the nature and occupation should be made if necessary, by the masters and surgeons during the actual examination of their persons.

Column 8 (*Able to read and write*).—These questions should be answered by stating the following question—"Read what language?" If exemption is claimed, inquire what ground. In answering this question the enumerator should ascertain the alien's ability to read and write any language, and not merely his ability to read and write English. Exemption from the reading requirement of the act of May 26, 1924, should be given—

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and in no case should the answers be governed by suppositions as to these matters. Persons appearing under the head of country descriptive of "French" by race or people and generally known as "French" appearing under the head of race or people as "French" by nationality, Cuban, West Indian, Spanish American, African (black), or Hebrew, are not races. France is a country. As both Germans, or Hebrews as such by race, might properly come under the heading of England, Scotland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than either Cubans or Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who has come from either of the islands of the West Indies, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Liguria, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or attempted residence for one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining the year or is residing by his last permanent residence regardless of actual residence thereat. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that should up complaints accurately show country of last permanent residence independent of ancestry, nationality, race, or temporary residence or country of birth, nationality, or race.

Column 12 (*Last permanent residence of aliens who are not bona fide residents of the United States and are returning to a foreign country should be recorded "United States"*).

Column 13 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should show name and address of such relative. If no such relative living, give name and address of friend.

Column 14 (*Final destination*).—The answer to this question should show the intended future permanent residence. Any person who has resided in the United States one year shall be considered a permanent resident. Therefore, should alien intend to return to country of former permanent residence, if within the United States, or to reside in the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as, "himself," "father," "employer," "other relative (name)," "steamship company," etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer to this question should be given in each case by the head of the family. Money brought by the head of a family should not be included in the amount carried by other members of the family.

Column 18 (*Whether ever before in United States, and if so, when and where*).—The answer should show whether alien has ever been in the United States, and if so, the year, or period of years, and place, as "1903, New York."

Column 19 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show whether alien is going to join a relative or friend, and if so, what relative or friend, with name and address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to verification by immigration officials at the seaboard and elsewhere. However, in answering question 26, if alien has been excluded within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person aged 14 or over, such as clerk, engineer, laborer, mason, mechanic, miner, nurse, painter, shoemaker, steel worker, stenographer, tailor, tinner, weaver, wood turner, etc., and not simply "merchant," "manufacturer," "agent," "laborer," "servant," "clerk," "student," or "none."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stenographers, typists, and secretaries should be asked as to the languages and corrections should be made, if necessary, by comparison and inquiry in order to ascertain the particular class to which each belongs.

Column 8 (*Nationality, race, or people*).—Each person should be described according to the following racial classifications: "Race" will be accepted, if no other is declared, upon write ground. In answering this question "Race" will be accepted, if no other is declared, upon write ground. If aliens are unable to read and claim that they are of the white race, or decline to state race, they should be so classified and reported.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of the sheet. The entry should show the race to which each person named belongs.

Special attention should be paid to the distinction between race and the country of which a citizen or subject, country of last permanent residence, and country of birth and nationality should be carefully ascertained by inquiry of each alien regarding his race. For instance, Hebrews appearing under the head of nationality should be returned "Russian," "Polish," "German," "French," according to the land of which they are subjects or citizens, but under race or people they should be returned "Hebrew," "Jewish," or "Semitic." Arabian, German, or Hebrew should be the entry to apply in connection with the inhabitants of Palestine, Switzerland, or any other country. In this connection the following distinctions should be observed and

CUBAN.

The term "Cuban" refers to the Cuban people but Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A residence acquired with the intention of remaining one's permanent residence. The last country in which a person resided with the intention of remaining one's permanent residence regardless of length of actual residence therein. The answer should be the last permanent residence other than the United States. It is important for immigration officials that should be ascertained as carefully as practicable the country of last permanent residence independently of any statement that should be contained in passports, as frequently passports are issued by countries to persons who have resided for many years, and in some instances for a lifetime, in countries other than that of their birth or citizenship.

Columns 12 and 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An answer that a person intends to remain permanently or indefinitely in the United States should be regarded as indicating intended future permanent residence, if within the United States, state the exact destination.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No.

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, whether by himself, other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50, and if less, how much*).—The answer should be given in each case. Money brought by the head of a family should not be counted as the property of the individuals of the family.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether any alien has been in the United States before, and if so, the year or period of years and place where.

Column 18 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the sheet, are required to be given for each and every person. However, in answering question 28, if alien has been deported with the consent of the Secretary of Labor he is authorized him to reapply for admission, the authority to such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Coal miner, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, steel roller, tool maker, wood turner, etc., and not simply as engineer, polisher, molder, farmer, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship agents should make these distinctions on the manifests, and corrections should be made, if necessary, by inspectors and examining surgeons during the process of examination of the aliens.

Column 8 (*Able to read or write*).—This is to be left blank unless the following question—"Read what language or dialect, if any?"—is answered in the negative, in which case an entry should be made in the column as to the ability or inability of the alien to read and write. In answering this question or the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race and the country of which a person is a subject, country of last permanent residence, and country to which he belongs. All three should be carefully noted by inspectors and reported in this regard. For instance, a person appearing under the head of country does not mean "British" by race or people and, similarly, "French" appearing under the head of race or people does not mean France by country. An Irish, German, or Hebrew alien by race must properly come under the heading of England, Scotland, or any other country. In this connection the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or North America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be considered as of this race.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. (*Last permanent residence*).—Actual or intended residence for one year shall constitute permanent residence. The last country in which alien resided with intention of remaining for one year or more should be last permanent residence regardless of length of actual residence thereat. The entries in this column should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of nationality, as frequently nationality, country of birth, and country of last permanent residence are different.

Column 12 (*Country to which alien belongs*).—Country of which persons who are permanent residents of the United States and are returning temporarily to their abroad homes should be recorded "United States."

Column 13. (*Name and complete address of relative in country whence alien came*).—The entry should show name and address of such relative. If no such relative living, give name and address of friend.

Column 14. (*Final destination*).—The answer to this question should show the intended future permanent residence. An intermediate temporary stop in your check contrary to intention. The entry should show as definitely as possible the name and address of intended future permanent residence, if within the United States. Country of destination is the United States.

Column 15. (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (as the case).

Column 16. (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as "self," "father," "brother," "friend," steamship company, etc.

Column 17. (*Whether in possession of $50 and if not, by whom furnished*).—The answer should give the exact amount of money in the possession of the alien when examined. Money brought by the head of a family should not be counted as money in the possession of the family.

Column 18. (*Whether ever before in the United States and if so, when and where*).—The entries should show whether or not the alien has been in the United States before and if so, the year, or period of years, and place or places of previous visit.

Column 19. (*Whether coming to join a relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 31.—These questions are self-explanatory and the answers, like all others in the sheet, are subject to verification by inspection officers at the receiving station of arrival. However, in answering question 29, if alien has been deported within one year at the expense of the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

solemnly, sincerely, and truly _____ that I have had _____ years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of _____, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, _____ in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

_____

(Signature and title of inspector or other officer authorized to administer oath)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigrant inspector at the port of arrival, and any changes that may have occurred en route in the medical facts, if there are any, noted thereon. If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure by the master, owner, agent, charterer, or consignee.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens spring and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, civil engineer, steam navy engineer, locomotive engineer, mining engineer, brass molder, wood polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, carpenter, laborer, or clerk.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who employs him.

Stenographers, accountants, salesmen, bookkeepers, and the like, and correspondents should be made more specific, as required by the circulars, by specifying the nature of their work.

If necessary, by agreement and regularly recorded, may be used in the place of alien arrivals.

Column 8 (*Ability to read*).—The answer should be indicated by writing the word "Yes" opposite the question "Read what language?" If the person is not able to read, write "No" opposite the question. The exemption of persons who are able to read and claims exemption from the reading requirement, the grounds for such exemption should be shown in detail.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which a citizen or subject, country of last permanent residence, and country of birth. And in entering the data required by these several respective questions in this regard. For instance, "Italy" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. Applied Germanic or Hebraic affiliations might properly come under the heading of English, Scotch-Irish, or any other country. In this connection the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than either Cubans or Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who has a country from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Piacenza) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardegna) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A mere transient visit of a few days or a few weeks in a country other than that of permanent residence does not constitute permanent residence. The last country in which a person resided with the intention of remaining one year or more shall be the last permanent residence, however frequent or long the visits elsewhere may have been. The entries in column 11 should show the country, and city, or town of last permanent residence. It is made illegal for steamship companies to issue tickets calculated to show a country of last permanent residence different from that of country of temporary residence, country of birth, nationality, or race.

Column 12 (*Final destination*).—Answer to be provided "United States."

Column 13 (*Name and complete address of relative in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 14 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended sojourn of one year shall constitute permanent residence. The entry should show definitely the name of city or town of intended future permanent residence, if within the United States. Example: Los Angeles, California, United States.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

(Columns 1, 2, 3, 4, 5, 6, 7 are self-explanatory. Steamship lines should make no entries in this column. The space under "Age" should be expressed in years or months, the latter applying to infants under 1 year.

Under "Sex" write the word Male or Female.

Under "Married or Single" the answer should be M (married), S (single), Wd (widowed), or D (divorced).

Under "Calling or occupation" state what the person is accustomed to do for a living, as laborer, farmer, servant, tailor, seamstress, etc., and not the occupation at which he may be employed for a short time after arrival, or intends to follow in the future.

Under "Nationality" write the name of the country of which the person is a citizen or subject, as the case may be. Do not write "Austrian" or "Russian" unless the person is entitled to be described as such. Many Hebrews are not citizens of Austria or Russia, but of some other country. In this connection it should be observed that Poland is not a country, and that persons who are natives of Poland must be described as Russians, Austrians, Germans, or Prussians, according to the facts.

Under "Race or people" write the race or people to which the alien belongs, as Anglo-Saxon, Negro, Spanish, Chinese, Hebrew, Polish, Scandinavian, Finnish, German, French, Italian, Irish, Scotch, Welsh, English, Dutch, Flemish, Japanese, Indian (from India), Magyar, Bohemian or Moravian, Slovak, Croatian or Slavonian, Dalmatian, Bosnian or Herzegovinian, Servian, Bulgarian, Roumanian, Greek, Turkish, Armenian, Syrian, Arabian, Canadian (French), Canadian (other than French), Mexican, West Indian, Pacific Islander, South American, Cuban, or other race or people.

It is desired that the term "Negro" be not used indiscriminately to designate all persons of dark complexion, but that the words "Black" and "Mulatto" be used in addition to "Negro" to indicate the various degrees of intermixture.

Under "Last residence" write the name of the country in which the alien has last resided for a period sufficient to become imbued with the habits and customs of the people thereof. Do not write "Europe," "Asia," "Africa," "America," "West Indies," "Pacific Islands," or "Azores," but the name of the country in which the alien has resided.

ENGLISH

The term "English" refers to the Celtic people of Great Britain.

WELSH

"Welsh" refers to the people of the Principality of Wales, another Celtic race of Britons.

SCOTCH

"Scotch" refers to the people of Celtic and Scotic descent of Scotland.

AFRICAN (NEGRO)

"African (Negro)" is intended to designate the race of dark people of Africa. Any alien who is known to be a native of Africa should be described as an African Negro, whether he is a British subject or not.

ITALIAN (NORTH)

The people who are natives of the basin of the River Po in Italy, comprising Piedmont, Liguria, Lombardy, Venetia, Parma, Modena, Romagna, Tuscany, Marches, Umbria, and Rome, and the provinces of Grosseto, Siena, Arezzo, Florence, Pisa, Leghorn, Lucca, Massa, Carrara, Massa di Maremma, Perugia, Rieti, Aquila, Teramo, Camerino, Macerata, Ancona, Pesaro, Urbino, and Forli.

ITALIAN (SOUTH)

The people of the provinces of Italy south of the basin of the River Po, comprising Naples, Caserta, Benevento, Campobasso, Foggia, Bari, Otranto, Lecce, Potenza, Avellino, Salerno, Catanzaro, Cosenza, Reggio di Calabria, Trapani, Palermo, Girgenti, Caltanissetta, Messina, Catania, Siracusa, Trapani, Cagliari, Sassari, Nuoro, Porto Maurizio, Genoa, Massa, Carrara, Massa di Maremma, Perugia, Rieti, Aquila, Teramo, Camerino, Macerata, Ancona, Pesaro, Urbino, and Forli.

Under "Final destination" write the name of the city or town and the country (the destination of the alien as known at the time of sailing) for which he has a ticket or sufficient money to reach, or which he has been assisted to reach by a relative or friend. If the alien has no final destination (as in case of a sailor), write "Seaman." If the alien is in transit to a foreign country, the name of such country should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1. *Line Number.* Steamship lines should make no entries in this column. The space is for the use of the Immigration officials.

Column 2. *Name in full.* Enter the name of each person. The surname or family name should be entered first, followed by the Christian name and middle name, if any. If a person has no middle name, a dash (-) should be made after the Christian name.

Column 3. *Age.* Enter the age of each person, opposite the name. Persons less than one year old should be expressed in years or months, the latter preceded by "M."

Column 4. *Sex.* Enter whether male or female, by the letter M for male and F for female.

Column 5. *Married or single.* Enter the word married or single, or the abbreviation M. or S., as the case may be. Widowed persons should be returned as married, and divorced persons as single.

Column 6. *Calling or occupation.* The entry should describe as accurately as possible the occupation of each person, whether laborer, servant, farmer, merchant, tailor, clerk, seamstress, housekeeper, wife, mother, etc., and not merely gentleman, lady, or child. Persons engaged in domestic duties, but not employed for wages, should be returned as "at home." Persons of leisure having an income should be returned as "gentleman" or "lady," as the case may be. Persons under 16 years of age, not at work, should be returned, if children, "child" or "children," and if not children, "without occupation."

Column 7. *Nationality.* Enter the nationality of each person, whether citizen or subject of some foreign country or state, or whether stateless, by the name of the country or state in which each alien is a citizen or subject. The particular race, people, or tribe to which aliens belong should not be entered in this column (for example, Scotch, Welsh, English, Irish, Germans, or Hebrews should not be entered as such, but only as citizens or subjects of the country of which they are such citizens or subjects, as Great Britain, Germany, or Russia).

Column 8. *Race or people.* The particulars required on back of this sheet. The entry should show the race or people of which each alien belongs.

Column 9. *Last residence.* Each person must be questioned as to the place of his or her last residence, and the answer entered in this column. If in the country from which the alien came, the name of the city, town, or village should be entered. If in some other country, the name of such country should be entered. The entry should not be made "United States," "America," "Canada," "Mexico," "Europe," "Cuba," "West Indies," "Central America," "South America," "Asia," "Africa," "Australia," "New Zealand," or "Pacific Islands," but the name of the particular country, state, province, or island should be given. Thus, for example, a native of Ireland should not return Europe, but Ireland; a native of Scotland should not return Great Britain, but Scotland; a native of Bohemia should not return Austria, but Bohemia; a native of Alsace-Lorraine should not return Germany, but Alsace-Lorraine; a native of Canada should not return America, but Canada; a native of Mexico should not return America, but Mexico; a native of Cuba should not return West Indies, but Cuba; a native of Australia should not return Australia, but the particular state or province; a native of Africa should not return Africa, but the particular state or province, if known.

Column 10. *Final destination.* The name of the city, town, or village in the United States where each alien intends to go should be entered in this column. Aliens should not be permitted to write "New York" unless they intend to remain permanently in the city of New York, but should be required to write the name of the city, town, or village where they intend to go. The answer should be either "Yes" or "No."

Column 11. *Whether going to join relative or friend, and if so, what relative or friend, and his name and complete address.* The entry should show whether each alien has been paid or assisted in coming by any relative or friend, and if so, what relative or friend, and his name and complete address. Many immigrants have the names and addresses of friends written for them by the agents of the steamship lines, and frequently they have no other address than that given them by the agent. For instance, a Hungarian arriving under the auspices of the "Cunard" line may have written for him the address, "Cousin Joseph Kovacs, 1500 Main Street, Pittsburg, Pa." Such an address is misleading, and should be avoided. Persons coming to the United States to join relatives should be required to write the name and complete address of the relative they intend to join, and the relationship, if any, should be stated.

Column 12. *Whether in possession of $50 and if less, how much.* The answer should be "Yes" or "No." Immigrants should be questioned as to the amount of money they have with them, and the entry should show the amount. Experience has shown that many immigrants who are destitute or who have but little money with them, when questioned as to the amount they have, will falsely state that they have $50 or more, in order to escape detention. Careful inquiry should be made in all cases.

Column 13. *Whether ticket through.* The answer should be "Yes" or "No." The entry should show whether each alien has been paid for or assisted in coming by any other person or corporation, society, or government, and whether the ticket or passage is paid for by the alien himself or herself or by others. Many immigrants have their tickets to their destination purchased by friends, relatives, societies, or employers, and frequently they have no money with which to pay railroad fare from the seaport to the place of destination. Such persons should be detained for further inquiry.

Column 14. *Whether coming under contract or assisted.* The answer should be "Yes" or "No." Many immigrants are induced to come to the United States by offers or promises of employment, or have their passage paid by persons in the United States who desire to employ them. Such immigrants belong to the class whose admission is forbidden by the contract labor law, and the inspection officers should exercise great care in excluding them.

Column 15. *Whether a passport has been issued, and by what country.* The answer should be "Yes" or "No," and the country by which the passport was issued should be stated. Many immigrants have passports issued to them by the country from which they emigrate, and frequently they have passports issued by the country to which they are going. The entry should show the country by which the passport was issued.

Column 16. *Whether ever in prison or almshouse, and if so, what institution and how long.* The answer should be "Yes" or "No." The entry should show whether each alien has been in prison or in an almshouse, asylum, or hospital for the support of the poor, and if so, the name of the institution and the length of time he or she was there.

Column 17. *Whether a polygamist.* The answer should be "Yes" or "No." The entry should show whether each alien is a polygamist, or practices polygamy.

Column 18. *Whether an anarchist.* The answer should be "Yes" or "No." The entry should show whether each alien is an anarchist.

Column 19. *Whether coming for an immoral purpose.* The answer should be "Yes" or "No." The entry should show whether each alien is coming to the United States for an immoral purpose.

Column 20. *Whether deformed or crippled, and if so, how.* The answer should be "Yes" or "No." The entry should show whether each alien is deformed or crippled, and if so, how deformed or crippled.

Column 21. *Height.* Enter the height of each person in feet and inches.

Column 22. *Complexion.* Enter the complexion of each person, whether light or dark.

Column 23. *Color of hair.* Enter the color of hair of each person, whether black, brown, auburn, red, gray, bald, or white.

Column 24. *Color of eyes.* Enter the color of eyes of each person, whether black, brown, blue, gray, or hazel.

Column 25. *Marks of identification.* The entry should show whether each alien has any visible scars, marks, or other means of identification.

Column 26. *Number of pieces of baggage.* The entry should show the number of pieces of baggage belonging to each alien.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *How last stopped.*—Steamship lines should make no entries in this column. The space is for vessels coming from foreign ports.

Column 3. *Age.*—The answer in this column should be expressed in years or months, the latter applying to infants under 1 year of age.

Column 4. *Sex.*—The words should be either M (male) or F (female).

Column 5. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should always be given. If a person has no occupation, the word "none" should be entered. If a child, the occupation of parent should be given. Laborers without special trade should be described as such. Do not use such indefinite terms as "merchant," "manufacturer," "gentleman," "lady," "servant," "driver," "clerk," "student," "boy," "girl," "child," "laborer" (unless accompanied by a definite statement of the kind of labor performed), "farmer," "farm hand," "seamstress," "operative," "machinist," or "engineer," without specifying the character of the occupation in each case.

Column 8. *Can read?*—Persons who can read any language should be returned as able to read.

Column 9. *Can write?*—Persons who can write their own names, but not otherwise, should be returned as able to write.

Column 10. *Can both read and write?*—Persons who can read and write, regardless of the amount of instruction they may have received, should be returned as able to read and write.

Column 11. *What language spoken?*—Each person should be returned according to his ability to speak the English language or some other language.

Column 12. *Nationality.*—Nationality means allegiance to some country, either by birth or naturalization. The words "United States" are sufficient for persons born in the United States. Naturalized citizens should be returned as such, and the country which granted naturalization specified. Care should be taken to distinguish between countries and races. Thus, Irish, Scotch, Welsh, English, German, French, Bohemian, Polish, Russian, Finnish, Hebrew, Spanish, Portuguese, Italian, Dutch, Flemish, Swedish, Norwegian, Danish, Icelandic, Greek, Roumanian, Syrian, Turkish, Armenian, Chinese, Japanese, Hindu, East Indian, Mexican, West Indian, Central American, South American, and Australian are not sufficient returns of nationality. Persons born in Ireland, Scotland, Wales, England, Germany, France, Bohemia, Poland, Russia, Finland, Sweden, Norway, Denmark, Iceland, Greece, Roumania, Syria, Turkey, Armenia, China, Japan, Hindustan, Mexico, the West Indies, Central America, South America, Australia, and the various countries of Europe, Asia, Africa, and America should be returned as natives of such countries, and not as citizens of the United States, unless such persons have become naturalized. If any other country, in this connection, the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the native people of Cuba.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either "Cuban" or "Porto Rican."

PORTO RICAN

"Porto Rican" refers to the people of Porto Rico.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

MEXICAN OR NEGRO

"Mexican" refers to the Mexican race, whether born in Mexico or elsewhere. "Negro" refers to the African race, whether born in the United States, Mexico, the West Indies, Central America, South America, Europe, or Africa. "Mexican" with a small "m" refers to the Mexican nationality, whether of the Mexican or African race.

ITALIAN (NORTH)

The people who are native to that portion of Italy north of the Province of Rome, including the Provinces of Rome, Aquila, Teramo, Campobasso, Foggia, Benevento, Caserta, Napoli, Salerno, Potenza, Catanzaro, Reggio di Calabria, Trapani, Palermo, Girgenti, Caltanissetta, Messina, Catania, Siracusa, and Porto Maurizio.

Column 13. *Last residence.*—The entry should always be the country of which the person is a citizen or subject. Persons who have resided in the United States should not be returned as coming from the country of last residence unless they have been naturalized.

Column 14. *Seaport for landing.*—The name of the seaport at which the alien intends to land in the United States should be given.

Column 15. *Final destination.*—The answer should be either "Yes" or "No," as the case may be. If the person is going to a place in the United States, the name of the city, town, or village should be given. If going to Canada, Mexico, Cuba, Central America, South America, Europe, Asia, Africa, Australia, or any island adjacent thereto, the answer should be "No." If going to the United States, but not to any particular place therein, the answer should be "Not known."

If the answer is "Yes," the name, relationship, and complete address of the relative or friend should be given. Mere acquaintances, employers, and fellow-passengers are not relatives or friends within the meaning of the law.

Column 17. *Have you ever been in prison or almshouse or supported by charity? If so, state when and cause.*—This question should be answered in the case of every alien. If the answer is "Yes," the time and cause should be stated. Persons who have been in prison or almshouse or supported by charity are excluded from admission into the United States by section three of the Immigration Act.

Column 22. *Condition of health, mental and physical, of each person.*—This question should be answered in the case of every alien. If the answer is "No," the fact should be fully explained. Column 23. *Deformed or crippled?*—This question should be answered in the case of every alien. If the answer is "Yes," the fact should be fully explained. Persons who are deformed or crippled are excluded from admission into the United States by section three of the Immigration Act.

Column 24. *How much money in possession?*—This question should be answered in the case of every alien. If the answer is "Yes," the amount should be stated. Persons who have less than $50 in their possession, and are going to join relatives or friends, are excluded from admission into the United States by section three of the Immigration Act.

Column 25. *Whether ticket is paid for by himself or by other person or by relative or friend, and if so, what relative or friend, and his name and complete address.*—The answer should be either "Yes" or "No," as the case may be. Persons who have been in the United States before are excluded from admission into the United States by section three of the Immigration Act, unless they have sufficient money to supply their necessary wants after reaching their destinations, or unless they are coming to join relatives or friends who have sufficient money to supply their necessary wants after reaching their destinations. If a person has formerly been a citizen of the United States, but has forfeited his citizenship, he may apply for admission at the discretion of the Secretary of Labor, and such application should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. [illegible] steamship line should make no entries in this column. The space is for the use of [illegible] only.

Column 3. The name of each alien should be entered in this column. The surname (family name) should be entered first, followed by the given names in full. If the alien has no surname, or has but one name, he should be asked by what name he is usually called, and that name should be entered in this column, the other name being entered in column 4. If the alien has a title, it should be entered after the name, as "Baron," "Count," "Countess," "Duchess," "Marquis," "Marquise," "Prince," "Princess," "Viscount," "Viscountess," etc.

Column 4. Children under 1 year of age should be entered as such in their proper alphabetical order. The ages of all persons who have attained their first birthday should be entered in this column, the number of years last past being written after the name. Thus, a person who has passed his fifth birthday and is in his sixth year should be entered as 5 years old, and a person who has not passed his first birthday should be entered as under 1 year old. Persons who have attained their first birthday, but are not yet 2 years old, should be entered as 1 year old. Persons who have attained their second birthday, but are not yet 3 years old, should be entered as 2 years old, and so on. The ages of persons who have attained their first birthday should be written in words, not in figures. If the age is not definitely known, the approximate age should be given.

Column 5. Write "male" or "female," as the case may be, after the name of each alien.

Column 6. Write after the name of each alien the answer which he makes to the question as to his marital condition, whether "married," "single," "widowed," or "divorced."

Column 7. Calling or occupation. The entry should indicate what each alien has been accustomed to do for support, whether as a laborer, mechanic, clerk, professional man, merchant, or otherwise. Persons of no occupation, such as women and children, should be returned as having none. If the amount of money shown in column 8 is in a foreign currency, the name of the country should be stated.

A person who has no occupation, trade, profession, or other means of support should not be landed if he is likely to become a public charge.

Column 8. Write after the name of each alien the amount of money he has with him when he lands. If in a foreign currency, the name of the country should be stated.

Persons who have no money at all should be so stated. The law requires that every alien physically capable, unless he belongs to a class exempted, shall have in his possession at the time of his admission at least fifty dollars. The object of this provision is to prevent the admission of persons likely to become public charges, and the mere fact that a person has fifty dollars in his possession at the time of his admission is not sufficient if the immigrant inspector in charge has reason to believe that he is likely to become a public charge.

Column 9. Write after the name of each alien the name of the country of which he is a citizen or subject. The country of which he is a citizen or subject is not necessarily the country from which he comes or the country in which he was born. Thus, a Hungarian who has become a naturalized citizen of the United States and who comes to this country from Germany, where he was born, should be entered as a citizen of the United States.

Column 10. The term "Caucasian" refers to the white population of Europe.

Column 11. Write "yes" or "no" after the name of each alien, as the case may be, to indicate whether or not he can read.

Column 12. Write "yes" or "no" after the name of each alien, as the case may be, to indicate whether or not he can write.

Column 13. The term "Spanish American" refers to the white population of Central America or South America of Spanish descent.

Column 14. Write after the name of each alien the name of the race to which he belongs, as "African," "Armenian," "Bohemian," "Bulgarian," "Chinese," "Croatian," "Dalmatian," "English," "Finnish," "French," "German," "Greek," "Hebrew," "Irish," "Italian," "Japanese," "Korean," "Lithuanian," "Magyar," "Mexican," "Moorish," "Pacific Islander," "Polish," "Portuguese," "Roumanian," "Russian," "Ruthenian," "Scandinavian," "Scotch," "Servian," "Slovak," "Slovenian," "Spanish," "Spanish American," "Syrian," "Turkish," "Welsh," or "West Indian."

Column 15. Write after the name of each alien the name of the last country in which he has resided. If he has resided in the country from which he comes to the United States for a year or more, the latter country should be entered in this column. The space is for the use of [illegible] only.

Column 16. Write after the name of each alien the name of the city, town, or village in which he has last resided. If he has resided in the city, town, or village from which he comes to the United States for a year or more, the latter should be entered in this column. The space is for the use of [illegible] only.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*). Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien. Do not enter laborer, gentleman, capitalist, housewife, or the like, unless it is impossible to ascertain definitely the occupation. Such terms as manufacturer, engineer, merchant, clerk, farmer, farm laborer, tailor, carpenter, mason, painter, shoemaker, blacksmith, cook, servant, waiter, barber, tailoress, dressmaker, operative, seamstress, housekeeper, and the like, should be entered whenever they correctly describe the occupation of any alien. Wife, child, or servant should not be entered as having no occupation simply as a matter of course, but only if they actually have no occupation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for wages or a salary paid by the year, month, week, or day.

Steamship companies should make careful distinction of the facts, and correct classification be made, if necessary, by inspectors and inquiries conducted by the Bureau of Immigration after the arrival of aliens at ports of entry.

Column 8 (*Able to read and write*). This question is directed upon what grounds the alien named in column 3 was to be regarded as literate or illiterate. It must be answered "Yes" or "No." Read what has been said in regard to column 7 as to the care to be exercised in the entry of the answers to this question, the purpose of the law being to exclude illiterates. Persons who can read and write their own language, but not English, should be entered as able to read and write.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention is directed to the distinction between race and nationality. Each immigrant is a subject or citizen of his particular country and belongs to a race, and passengers should sometimes be carefully questioned before entries in these columns are made. For instance, a person born in Germany may be a Hebrew by race, a Bohemian by race, a Pole by race, or a German by race, and so on through the list of races. Again, a person born in Ireland may be a Celt by race, or he may be an Anglo-Saxon by race, or he may belong to some other race. So, also, persons born in Great Britain may belong to the Anglo-Saxon, Celtic, Scottish, Welsh, or Hebrew race, or to some other race. A person born in France may be a Celt by race, or he may belong to the Latin, Basque, Breton, Teutonic, or some other race. So, also, persons born in Switzerland, Germany, Austria-Hungary, Russia, Spain, Portugal, Italy, Greece, Turkey, Scandinavia, Mexico, Cuba, and other countries may belong to different races. Persons born in the British Provinces of North America may be Celts by race, or Anglo-Saxons by race, or Hebrews by race, or they may belong to some other race. Persons born in Asia may be Hebrews by race, or they may belong to some other race. Persons born in Africa may be Hebrews by race, or they may belong to some other race. Persons born in Australia, New Zealand, Tasmania, or the islands of the Pacific may be Anglo-Saxons by race, or they may belong to some other race. Persons born in Central America, South America, or the West Indies may be Celts by race, or they may belong to some other race. Persons born in Switzerland, Germany, Austria-Hungary, Russia, Spain, Portugal, Italy, Greece, Turkey, Scandinavia, Mexico, Cuba, or any other country may belong to any race. In this connection, the following descriptions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people and not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native of Africa or of the islands of the West Indies, Central America, South America, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of that portion of Italy north of the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria, and their provinces, together residing in Italy, Switzerland, Austria, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, Umbria, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*). A full and complete answer should be given, and the name of the country, not the city, should be carefully noted. The purpose of the law is to exclude those who have not been living in the United States for a sufficient length of time to have become thoroughly identified with the country, and hence the question as to last permanent residence is directed. Persons who have been temporarily visiting in the United States and are returning to their permanent residence abroad should not be allowed to land. Persons who have been living in the United States and have gone abroad for a temporary visit should be able to show that they have been absent from the United States for a sufficient length of time to have lost their residence here, and that they have acquired a permanent residence abroad. Nonquota immigrants, as defined in section 4 (c) of the Immigration Act of 1924, who are returning residents of the United States and are not coming to the United States as nonquota immigrants, should be entered as "United States."

Column 12 (*Vessel or conveyance by which arrived in the United States*). The name of the vessel in which each alien named in column 3 arrived at the port of arrival in the United States should be entered in this column, as, for example, "Olympic," "Mauretania," "Imperator," "Vaterland," "Finland," "Kroonland," "Minnetonka," "Minnehaha," "Patricia," "Pretoria," "Celtic," "Adriatic," "Baltic," "Cedric," "Arabic," "Majestic," "Megantic," "Regina," "Canada," "Empress of Britain," "Empress of Ireland," "Empress of France," "Empress of Scotland," "Empress of Asia," "Empress of Japan," "Empress of China," "Empress of Australia," "Empress of Russia," "Empress of India," "Empress of

Record on this sheet United States citizens and citizens of insular possessions of the United States arriving at a port of continental United States from a foreign port or a port of the insular possessions of the United States and such citizens arriving at a port of said insular possessions from a foreign port, a port of continental United States, or a port of another insular possession.
